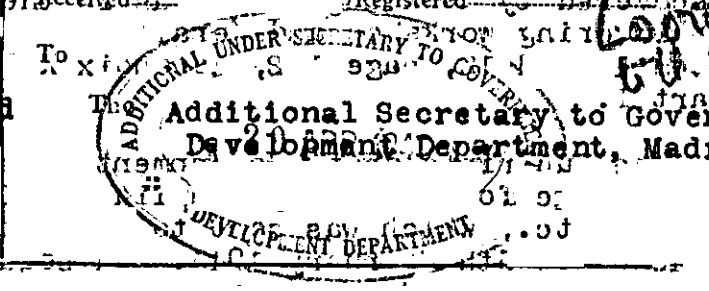
Station Commerce, Madras.

To

The Additional Secretary to Government
Development Department, Madras.



Enclosures:

No. 184-D/43 dated 27th April 194 3.

Sir,

Subject: Government Silk Filatures and Kollegal Silk Filatures at Kollegal - Stationery and Forms - supply o

Ref: Government Memorandum No. 2238-D/43-1 dated the 15th February 1943.

In paragraph 1 of the Government memo cited above, I have been asked to include the requirements of the Government Silk Filatures at Kollegal for standardised forms in the annual indent for such forms required by the Sericultural Expert. I have to point out however that the Government Silk Filatures will be run as a commercial concern and as such the value of the stationery articles and forms has to enter into the Profit and Loss account of the Filatures. For this purpose, it is necessary to know the cost of the stationery articles and forms supplied to the Filatures, which will not be possible if the requirements are included in the indents submitted by the Sericultural Expert to whom the supply is made free of cost. In the circumstances I suggest that the Government Silk Filatures be treated as a separate indenting unit for the supply

printed standardised forms and stationery, the value being recovered by book adjustment as in the case of the Industrial Engineering workshop and Kerala Soap Institute, Calicut, vide item 10 and 12, page 102, Appendix XIII of Stationery Manual Vol.II Part I.

2. The Superintendent, Government Press, Madras, may be asked to arrange for the early compliance of the intial indent for forms covers etc., which was sent to him with this office letter No.184-D/43 dated 5th February 1943. Subsequent indents will be submitted by the Manager, Government Silk Filatures, Kollegal and countersigned by me.

3. As instructed in paragraph 2 of the Government memo quoted above proposals for the purchase of books was submitted separately in my letter No.184-D/43 dated the 14th April 1943.

4. It is also suggested that the Kollegal Silk Filatures, Kollegal may be treated similarly as a separate indenting unit for forms and stationery, the indents being countersigned by me and the cost recovered by book adjustment.

Director of Industries and Commerce.

SN.28.4.

NOTES

Extract of notes from G.O.No. 721M.S. Dev., dated 6-5-43.

Finance (Exp. A.)

the draft order may be accepted.

2. Attention is, in this connection, invited to Development Memo. No. 2236 D/43-1, dated 15-2-1943, in which the Director of Industries and Commerce has been asked to include the requirements of stationery and forms needed for the Silk Filatures Factory at Kollegal in the annual indent for such forms required by the Sericultural Expert. Under G.O.No. 3781-Development, dated 3-10-1942, the working expenses of this concern are to be met by this Government and included in the cost of production of reeled silk which will subsequently be recovered from the Central Government in accordance with the procedure laid down in the G.O. Having regard to this, it seems that the cost of stationery and forms also should be included in the cost of production for purposes of recovery to be made from the Central Government. Development may be requested to issue revised instructions in this matter.

Development Department.

A above. A separate reference has been received from the Director of Industries and Commerce for reconsidering the orders in Memo No. 2236/43 dated 15-2-43. The suggestion of Finance at A above will be considered when orders issue on the Director of Industries and Commerce's letter. The draft order pp. 1- 2 above may issue.

Issued as G.O. 721 dtd 6-5-43

Issue. Take an extract and consider along with other case.

S.A.M.K. 6-5-43.

C. 8868 The D.I.&C. No. 187-D/43 dt. 27-4-43

To mail us.

The D.I.&C. has requested in the letter under ref. that the Rayt Silk Filature Factory, Kollegal and the Kollegal Silk Filatures may be

declared as ~~separate~~ independent units for indenting stationery items, the cost being recovered from the concerns by book adjustment. The Director will countersign the accounts. A similar procedure is being adopted in the case of accounts of the Kerala Soaps Institute & the Industrial Engineering Workshops. There seems to be no objection in accepting the D.F.C's ~~request~~ suggestion. This is also in accordance with the suggestion of the Finance Dept in their note extracted at pl above. A draft order is submitted for approval. It may issue after acceptance by E.P.H dept. & Dev. Dept.
